## SUMMARY

Sophia is a spirited and curious actress who is currently polishing her acting skills and studying at The Segal Centre. Sophia enjoys acting because it allows her to express her creativity through her imagination and the different characters she embodies.

Sophia has already surpassed her initial goals, backed by her dedicated and loving Mother Jackie. She is an ACTRA Apprentice member and has booked a Principal role on two Incendo productions back-to-back: The Christmas Checklist #1 & #2. She can now check this off her list! Furthermore, Sophia had a recurring role on the CBC show, PLAN B season 2.

Sophia has a very outgoing tone and unique voice that would be well suited for "cute" roles accompanied by a more youthful look, giving her the opportunity to play younger roles. Sophia is bilingual; able to read and speak English & French.
